## Scraps Reimaged Series Workshop 2: Catch-All Bag

Skill Level: beginner and above  
Instructor: Susan Sharkey

### Description

During this half-day workshop create one or two small bags to catch craft room scraps, store treasures, or collect small items in your car.

When stuffed with goodies, these Catch-All bags become unique, personal gifts. Round up several fabrics from your stash or pick out new fat quarters during the workshop to create bags with fun patterns. This workshop is appropriate for all sewing skill levels.
