## Scraps Reimagined Series Workshop 1: Coil Bowl

Skill Level: beginner and above  
Instructor: Susan Sharkey

### Description

Learn how to assemble fabric strips and cotton cord to create small bowls. Use the bowls to hold your small trinkets or have on hand for gifts. Gather a wide variety of your longer scrap pieces, and we'll decide what to use when you arrive for the workshop. Batik fabrics are preferred, but any interesting print cotton fabrics will work. During the workshop you'll be guided to select, cut, and then assemble  $\frac{3}{4}$ " strips around cording. This workshop is appropriate for all sewing skill levels.

### Supply List

- No pattern required
- Cotton fabric scraps in a variety of colors and patterns, at least the total equivalent of a fat quarter or what can fill a small lunch bag. Fabric pieces should be minimum lengths of 20 inches and minimum widths of 1 inch.
- Sewing machine with zig zag features
- **Sewing machine needles for heavy weight sewing, at least #14 or #16 regular needle (and spare)**
- Bobbin and spooled thread in at least three neutral colors (light, medium, dark)
- Scissors for fabric cutting
- pins
- Rotary cutter with sharp blade (any size)
- 24" long quilter ruler to cut long strips
- (optional) Fabric glue that dries clear
- Instructor will provide Cording and access to fabric glue

### Provided

- Iron and ironing board
- Cutting Mats

**Note:** Any pattern types and colors work for this project. Bring a mix of scraps. Batiks and fabrics with metallic print patterns provide nice finishes. We'll experiment with different patterns and color combinations as we create several bowls during the workshop.
