

Hearts Galore (using Accuquilt)

With Jackie Vujcich

In this technique class will make plenty of hearts using the my Accuquilt machine and die-cuts. You can copy my (he)artful ideas or create your own. Time permitting, you can start stitching the pieces down.

Fabric:

Background: 1 fat quarter (suggest a neutral like white, cream, black or gray).

Reds/pinks/heart prints: bring 5-6 fat quarters (or large scraps)

Backing/Binding: $\frac{3}{4}$ yard

Batting: 20" x 24"

Notions:

Sewing machine in good working order

Regular sewing notions

Fusible web (such as Steam a Seam 2-light or regular OR Wonder Under) – 1 to 2 yards

Quilting thread(s)- pinks/reds/white to match or highly contrast with your fabrics

Rotary cutter and ruler 6" x 24"

Optional:

Open -toed walking foot for applique work

1/8" or 1/4" Ribbon- about 1/2 yard of one or several sizes

PRIOR to class: Please wash and iron all fabric. This gets the sizing out so that the fusible sticks better.
