

# **Sugar and Spice Supply List**

By Jackie Vujcich

2 sessions of 4 hours

This is an advanced beginner and beyond class. I've completed this top in traditional Christmas colors of red and green although other bright/fun colors could just as easily have been used. My expectations are that you'll have the top completed and ready to quilt by the end of the 2nd class if you do pre-class preparation and homework between classes.

## **Fabrics:**

White—1/2 yard

Green #1 — 1/2 yard

Green #2 -5/8 yd (includes 1/3 yd for binding)

Red #1—1/3 yd

Red #2—1/3 yd

Blue #1- 1/3 yd

Blue #2 - 1 fat quarter **OR** 1/3 yd

Tan #1 -1 fat quarter **OR** 1/3 yd

Tan #2 - 1 fat quarter **OR** 1/4 yd

Brown- 2"x2" scrap (or use some of the tans)

Holiday print (outer borders) 1/2 yd

## **Notions:**

Sewing machine in good working order (don't forget the foot controller and plug)-it must be capable of sewing an accurate 1/4" seam (reserve one at Guest Services if needed)

Thread-to coordinate with your fabrics (white, red, green, blue, tan)

Seam ripper, machine needles, pins, hand needle with large eye

Rotary cutter (a personal cutting mat is optional), additional blades?

Ruler 6" x 24" works well

Ruler 6" x 6" that has a 45° line on it that starts in the corner (at zero)

Fusible web (I use lite Wonderunder) – 1/2 yd

Optional Embellishments: buttons, beads, lace, trims, rick rack, mini-ornaments, etc, (if having trouble finding items, please contact me) (kit fee \$9.99)

Applique Pressing sheet

## **Optional Notions** (not absolutely necessary but VERY helpful):

Open-toed presser foot

Triangles on a roll (size 1 1/2" finished)

## **Pre-class prep instructions:**

Prior to class, you may want to wash and iron your fabric so that the fusible web will adhere better. Please pick up a pattern and cut all fabric before the 1<sup>st</sup> class.
